As of October 15, 2019, the following article is being retracted from the UGM Digital Press Social Sciences and Humanities series.

“Les structures des phrases dans les tracts du mai 1968” by Nokiamy Sesena Tamba and Myrna Laksman-Huntley, Social Sciences and Humanities Series Vol 3: 00033, Proceeding of Conférence internationale sur le français 2018, Joesana Tjahjani, Merry Andriani, Sajarwa, Wening Udasmoro (eds) DOI:  
<https://doi.org/10.29037/digitalpress.43306>

The original article is registered through this URL  
<https://digitalpress.ugm.ac.id/article/306>

as decided by authors and conference organizers on the basis of analytical error. It may encourage potential misleading circulation of information in the future.

On the following exchange of information with the publisher, it has been decided that the article will be retracted.

The retracted article will remain in public domain, that is maintaining its appearance on UGM Digital Press web archive and the Conférence internationale sur le français 2018 printed version. However, it will receive a watermark to accentuate its retracted status.
